Information

Who can apply?

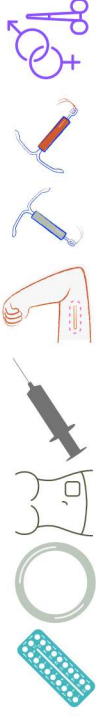

- Persons from age 22., living in the Freising district and receiving state benefits, such as:
- Basic security benefits for job seekers (Grundsicherung, SGB III)
 - Help with cost of living/ Basic security in old age and reduced earning capacity (SGB XII)
 - BAföG / BAB
 - Benefits according to the Asylum Seekers Benefits Act (AsylbLG)
 - Housing Benefits (Wohngeld Plus)
 - Child Allowance (Kinderzuschlag)

Which documents are required?

- Identification document (ID, passport e.g)
- Current approval notice of state benefits

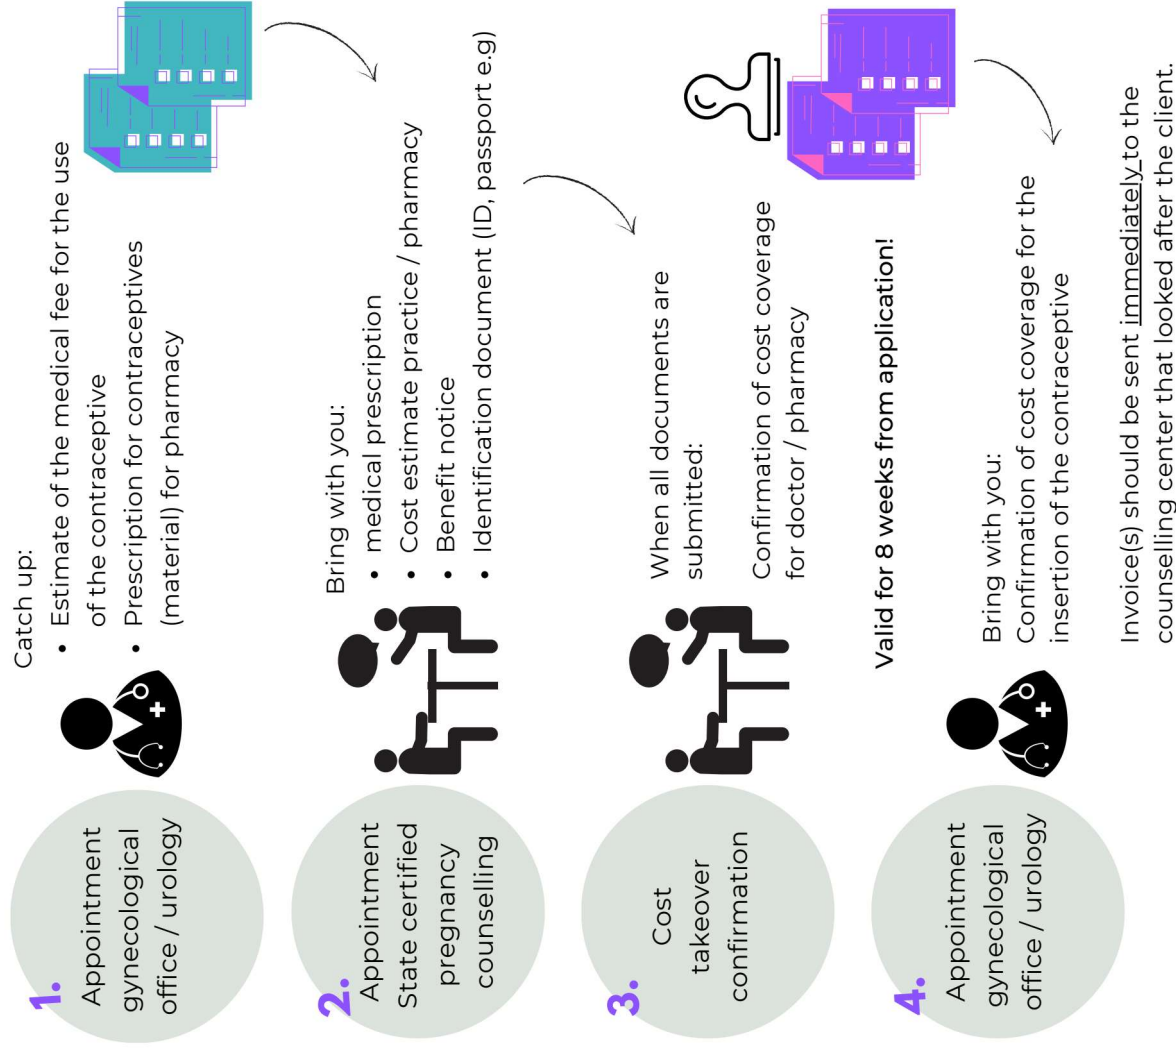

Which costs can be covered?

- Birth control pills
- Vaginal ring
- Contraceptive patch
- Contraceptive injection
- Contraceptive implant
- IUS (intrauterine system = hormonal coil)
- IUD (copper coil/copper chain)
- Female sterilisation / Vasectomy (contribution of 400€)

*Up to your 22nd birthday, statutory health insurance covers the costs of prescription contraceptives. The statutory additional payment (prescription fee) must be paid by yourself from your 18th birthday.

How it works

IMPORTANT:

The costs for the contraceptive are transferred directly from the district office - health department to the doctor / pharmacy. Please do not pay for the contraceptives yourself.
